

DISAPPOINTMENT

OCCASIONED BY THE CONDEMNATION OF THE OSSEPEE AND BROOKLYN.

Carpenters and Joiners Do Not Reap the Harvest They Expected—Other Norfolk Notes.

(Correspondence of the Richmond Dispatch.)

Nonpareil, February 21, 1890.

The condemnation of the old State carriages Ossepee and Brooklyn, after bringing both here for repairs, is a great disappointment to hundreds of carpenters and joiners who expected a steady job on the two ships. It will be a long time before the new iron ships and the monitor Amphitrite are advanced to the carpenters of the yard, and the ships mentioned were considered quite a godsend. The men of the yard, and the fast disappearing. There is some hitch about the construction of the battery of the new cruiser Baltimore and nothing has yet been heard of the same coming. It is altogether probable that the Baltimore will be here until June, if not longer. The adjustment of the intricate and extensive electrical appliances on board is making a great deal of work in that line.

CAPITALISTS.

The Chicago capitalists in town visited Newport News and Lambert's Point yesterday, and to-day are being shown the improvements around the latter place. The Commodore Talcott will arrive here from New York to meet them, when probably they will be shown the country from here. The capitalists are expected to be investing considerably in the lands of Southwest Virginia and around Bristol.

A number of Norfolk vessels will call at Elizabeth City, next season, as that territory is a very inviting one for the business.

The surveying the Belt Line around Norfolk and Portsmouth will commence at once, and as soon as the right of way is secured the construction of the line will rapidly and be completed in about six months.

NOTES.

The navy-yard, banks, exchanges, custom-house, courts, and the city and county offices will be closed tomorrow in honor of the 23d, but there is no military demonstration until Monday next. The Norfolk and Western railroad does its own electrical lighting of the depot, offices, etc., now by power furnished from the grain-elevator.

The new Methodist church in the city is of octagon style, unlike any building in the city and similar to one in Florida. It will be beautiful in design.

Mr. John H. Bullock, one of the oldest citizens of Portsmouth, died last night. He was very well known.

Harbor Commissioners have made requisition for \$700 on Norfolk, Portsmouth, and Norfolk county to pay the expenses of their sailing the cargo.

The doctors amputated the arm of Jordan Sulley yesterday afternoon, crushed on the Norfolk and Western Railroad last night after the borrowing of \$2,000 to commence the Sam Jones tabernacle at once.

Mr. Warren G. Elliott, the new president of the Wilmington and Weldon Railroad Company, will leave for Wilmington to-day, March, giving up his residence in this city.

Judge Brooke will probably appoint two more justices to the Norfolk County Court. 600 pounds of fresh meat is received a week here from Chicago, and hardly less than 6,000 pounds of fresh pork from Baltimore and the fees from the city of New York.

Intelligence was received to-day of the death of Mr. Roland Culpeper, formerly of Portsmouth, at Houndon, Va. He was a very well known citizen and was a brother of Mr. Joseph S. Culpeper, agent of the Old Dominion Steamship Company here. He was a native of Virginia.

The owner of the schooner O. D. De ne, ashore near Norfolk, Va., on the Virginia coast, is here making arrangements to float the vessel.

The Merritt Working Company's steamer, the Merritt, was wrecked on the sunken schooner Frank Pratt Lee, and reports her position favorable for raising.

Hampton Roads has put to sea.

DANVILLE MATTERS.

The Case of Mr. Eugene Schofield—Personal.

(Special telegram to the Dispatch.)

DANVILLE, Va., February 21.—Last night about 11 o'clock the case of Mr. Eugene Schofield, whose illness has already been mentioned, was brought to a close. The doctor took a turn for the worse, and to-night his condition is so bad that his physicians have given up all hope. He is now in a very bad way. Only a few months ago his sister, Mrs. F. T. Tillet, died after a brief illness. Mrs. and Mr. John Schofield were formerly the father-in-law of the late Mr. Tillet, who was a young woman of splendid qualities, and now to lose the son seems a cruel blow.

The case of Mr. Eugene Schofield is a very interesting one. He was a young man of splendid qualities, and now to lose the son seems a cruel blow. The case of Mr. Eugene Schofield is a very interesting one. He was a young man of splendid qualities, and now to lose the son seems a cruel blow.
